

## **Zynex Announces Share Buyback Program**

PR Newswire  
LONE TREE, Colo.

LONE TREE, Colo., Dec. 6, 2017 /[PRNewswire](#)/ -- Zynex, Inc. (OTCQB: ZYXI), an innovative medical technology company specializing in the manufacture and sale of non-invasive medical devices for pain management, stroke rehabilitation, cardiac monitoring and neurological diagnostics, today announced that its board of directors approved a program to buy back up to \$2 million of the Company's common stock.

In making the announcement, Zynex President and CEO Thomas Sandgaard stated, "We are committed to delivering shareholder value, and this buyback program authorization reflects the board's confidence in both our short-term prospects and our long term growth strategy. We believe that the current market value of our shares does not accurately reflect the underlying value of the Company and the buyback program represents an attractive opportunity to deploy capital in a way that will benefit stockholders."

Under the share buyback program, buybacks may be made from time-to-time in open market and negotiated purchases, effective immediately through the next twelve months. These buybacks will be made in compliance with the SEC's Rule 10b-18, subject to market conditions, available liquidity, cash flow, applicable legal requirements and other factors. This program does not obligate the Company to acquire any particular amount of common stock and the program may be suspended or discontinued at any time. The Company expects to finance the purchases with existing cash balances.

Zynex, Inc. had approximately 32.8 million shares outstanding as of November 30, 2017.
