# Zynex Announces 2022 Third Quarter Earnings

ENGLEWOOD, Colo., Oct. 27, 2022 /<u>PRNewswire</u>/ -- <u>Zynex, Inc</u>. (Nasdaq: ZYXI) an innovative medical technology company specializing in the manufacture and sale of non-invasive medical devices for pain management, rehabilitation, and patient monitoring, today reported financial results for the third quarter ended September 30, 2022.

### Third Quarter 2022 Highlights:

- Increased revenue 19% year-over-year to \$41.5 million
- Reported net income of \$4.9 million; Diluted EPS of \$0.13; Adjusted EBITDA of \$8.1 million
- Recorded cash from operations of \$7.4 million for the third quarter
- Completed the second of two \$10 million share buybacks
- Achieved highest number of orders in Company history for the 2<sup>nd</sup> consecutive quarter

### Third Quarter 2022 Financial Results Summary:

For the third quarter, the Company reported net revenue of \$41.5 million, a 19% increase over the third quarter of 2021. Gross margins were 80% and net income was \$4.9 million, a 46% increase from the second quarter of 2022.

As of September 30, 2022, the Company had working capital of \$47.6 million. Cash on hand was \$23.5 million at the end of the third quarter.

### President and CEO Commentary:

"The third quarter of 2022 was another record-breaking period of order growth, with order numbers increasing 34% year-over-year," said Thomas Sandgaard, President and CEO. "In addition to increased orders, revenue, and profitability, we recorded the second-best period for operating cash flows in the Company's history at \$7.4 million in the third quarter. Our strong cash flow allowed us to complete another \$10 million stock buyback, totaling \$20 million year-to-date, a reflection of our confidence in the Company's future performance. I am thrilled with our team's ability to efficiently execute on our top line goals while maintaining financial health and sustained profitability, and I look forward to continued success."

### Fourth Quarter and Full Year 2022 Guidance:

The estimated range for fourth quarter 2022 revenue is between \$48-\$51 million, an increase of approximately 23% from Q4 2021. Adjusted EBITDA for the fourth quarter 2022 is estimated to range between \$10-\$12 million.

Based on the fourth quarter estimates, the full year 2022 revenue estimate now ranges between \$157.4-\$160.4 million and Adjusted EBITDA between \$26.7-\$28.7 million.

### **Non-GAAP Financial Measures**

Zynex reports its financial results in accordance with accounting principles generally accepted in the U.S. (GAAP). In addition, the Company is providing in this news release financial information in the form of Adjusted EBITDA (earnings before interest, taxes, depreciation, amortization, other income/expense, stock compensation, restructuring and non-cash lease charges). Management believes these non-GAAP financial measures are useful to investors and lenders in evaluating the overall financial health of the Company in that they allow for greater transparency of additional financial data routinely used by management to evaluate performance. Adjusted EBITDA can be useful for investors or lenders as an indicator of available earnings. Non-GAAP financial measures should not be considered in isolation from, or as an alternative to, the financial information prepared in accordance with GAAP.

#### Safe Harbor Statement

This release contains forward-looking statements within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, forecasts, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. The Company makes no express or implied representation or warranty as to the completeness of forward-looking statements or, in the case of projections, as to their attainability or the accuracy and completeness of the assumptions from which they are derived. Factors that could cause actual results to materially differ from forward-looking statements include, but are not limited to, the need to obtain CE marking of new products, the acceptance of new products as well as existing products by doctors and hospitals, larger competitors with greater financial resources, the need to keep pace with technological changes, our dependence on the reimbursement for our products from health insurance companies, our dependence on third party manufacturers to produce our goods on time and to our specifications, implementation of our sales strategy including a strong direct sales force, the impact of COVID-19 on the global economy and other risks described in our filings with the Securities and Exchange Commission including, but not limited to our Annual Report on Form 10-K for the year ended December 31, 2021 as well as our quarterly reports on Form 10-Q and current reports on Form 8-K. Any forward-looking statement made by us in this release is based only on information currently available to us and speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statement, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
