

Zynex Included in Denver-Area's Top 10 Biotechnology/Bioscience Companies

ENGLEWOOD, Colo., March 21, 2023 /PRNewswire/ -- Zynex, Inc. (NASDAQ: ZYXI), an innovative medical technology company specializing in the manufacture and sale of non-invasive medical devices for pain management, rehabilitation, and patient monitoring, today announced the *Denver Business Journal* has ranked Zynex sixth in a list of the largest Denver-area Biotechnology/Bioscience companies, according to the number of full-time employees (FTEs).

"Zynex has experienced significant revenue and order growth over the last several years, and we have invested heavily in the expansion of our quality workforce" said Thomas Sandgaard, CEO and founder of Zynex Inc. "We remain committed to being a high-quality workplace and industry leader in the Denver-area."

About *Denver Business Journal*

American City Business Journals (ACBJ) is the largest publisher of metropolitan business newsweeklies in the United States, with 44 business publications across the country reaching more than 3.6 million readers each week.
